This Week's Goal:	

The Plan at a Glance

Declutter extras so you can see what you have

Sort by project type and frequency

Use smart storage that fits small spaces

Label everything with simple words

Build a grab and go craft tray

Keep a tiny routine to protect craft time

Shop smart at thrift stores

Keep a list of easy DIY projects

Today's Quick Start

Pick one small step. Set a 20-minute timer and begin.

Step 1: Declutter with the One Box Rule

Set a 30 minute timer

Bring one empty box
Touch every item on your table
Ask: will I use this in the next 30 days
Keep only what I will use soon
Put extras and duplicates in the donate box
Toss broken items and dried paint
Clean fabric and notions before storing
